(Signature)

As set forth in the statutes of the Association, the following persons are eligible for membership:
"[...]former employees and scholarship holders of the Institute, and other persons provided they have a relevant academic or personal relation to the Institute, as well as persons, that have done or currently do research or work in one of the areas of the Institute's field of research. Legal entities or partnerships are eligible, provided that they are headed or managed by a person as defined in the previous sentence." Membership is granted upon written application by written confirmation of the Association's board of directors.

The membership fee for members living in Europe at present amounts to € 35 yearly.

All data will be kept strictly confidential and are used for the objectives of the Association only. Under no circumstances they will be forwarded to third parties.
